Debra
Well here I
am writing nothing
in my mind a blank.
I've had real great
fun with you, really
great, even though
I have a bad left hand.
I hope all your dreams
come true. Best of
luck in college. Maybe
I can help you in
some of your studies.
Remember me when
you raise your left
hand.
Love yea
Henry

Debra,
It's been nice knowing
you these two years. You
have been one of my
good friends for these
years and I hope for
the future. Good Luck
for this year to come.
Bill M Dodt

Dear Deborah,

After all these years, it should be easy to decide what to say. But now all I can think of is "thank you". Thanks for your friendship and loyalty. You are a wonderful person and I'll always remember the good things in our friendship.

Best wishes.

Always,
Gwyn Walton

Dear Deborah,

I could say all of that stuff about "I've enjoyed every minute of our friendship" and all of that, but by now I hope you have realized that!

We've had our bad times and our good ones! I'll forgive and forget all the bad ones and remember the all the good ones!

I thought of you as a wonderful friend, always and as with a friendship I'll always cherish.

Dena, No matter if we go our seperate ways or not I hope you'll always remember me. I will you. May you have the best of luck in the future that life can give!

forever a friend,
Cheryl

Deborah (Renee)

I can't remember the time when we weren't friends, even though I know there was. It's too late now to take back all the things I said & did to deliberately hurt, but maybe in some way I've made it up to you.

You are a constant friend, and now that I've pushed your friendship, I hope we can stay that way. Graduating is sad because we'll all be going our seperate ways. But, Renee, I feel that we'll always be friends and I know I'll never forget what wonderful times we've had.

Always,
Kathy Newell
(Mule)

Deborah,

I would be lying if I were to write about how close we've been this year. We both know we haven't. It seems as if you pick out one certain person to dislike each year, & I'm sorry to say this year it was me. I know that you have told me that you were sorry about the many that you have told me where to go, but I'll never forget them. I wish I could forget them, but I can't. They'll always remain in my heart. I've always thought that everyone's last year in high school should be their happiest with their friends, but I can say I am truly sorry it wasn't for us. It was probably our junior year. I guess we'll just have to look back ↗

Deborah,
It has been nice knowing you at Mantachie and going to school with you. May God Bless you in everything you do.

Emma

ALMA MATER

In our hearts we're all united,
all with one accord.
To our school our dear Mantachie,
praises ever sing.

Dear Mantachie our high school,
we would pledge a new,
Loyalty and true devotion,
service ever true.

As the days go on before us,
memories still draw near.
Friends of mine and thine dear High School
we would pledge a new,
Loyalty and true devotion,
service ever true.

Greetly friends!

Of

MHS

LEFT TO RIGHT: Mrs. Sandra Nanney, Advisor; Regina Farrar, Editor; Wanda Lesley, Assistant Editor.

Foreword

"Sights and Sounds of M.H.S." is truly an appropriate theme for this yearbook. As you flip through the pages of this book, you will be reminded of excited cheers at the pep rally just before the big game, or chatter in the hall between classes, or even little things like laughter over a joke shared by one certain class. These moments that we have captured in pictures will long remind you of homecoming night, a special teacher, or even a favorite friend.

Much work has been put into this yearbook, but my staff and I sincerely hope that the enjoyment that you get from it will far exceed our efforts to make it what it is.

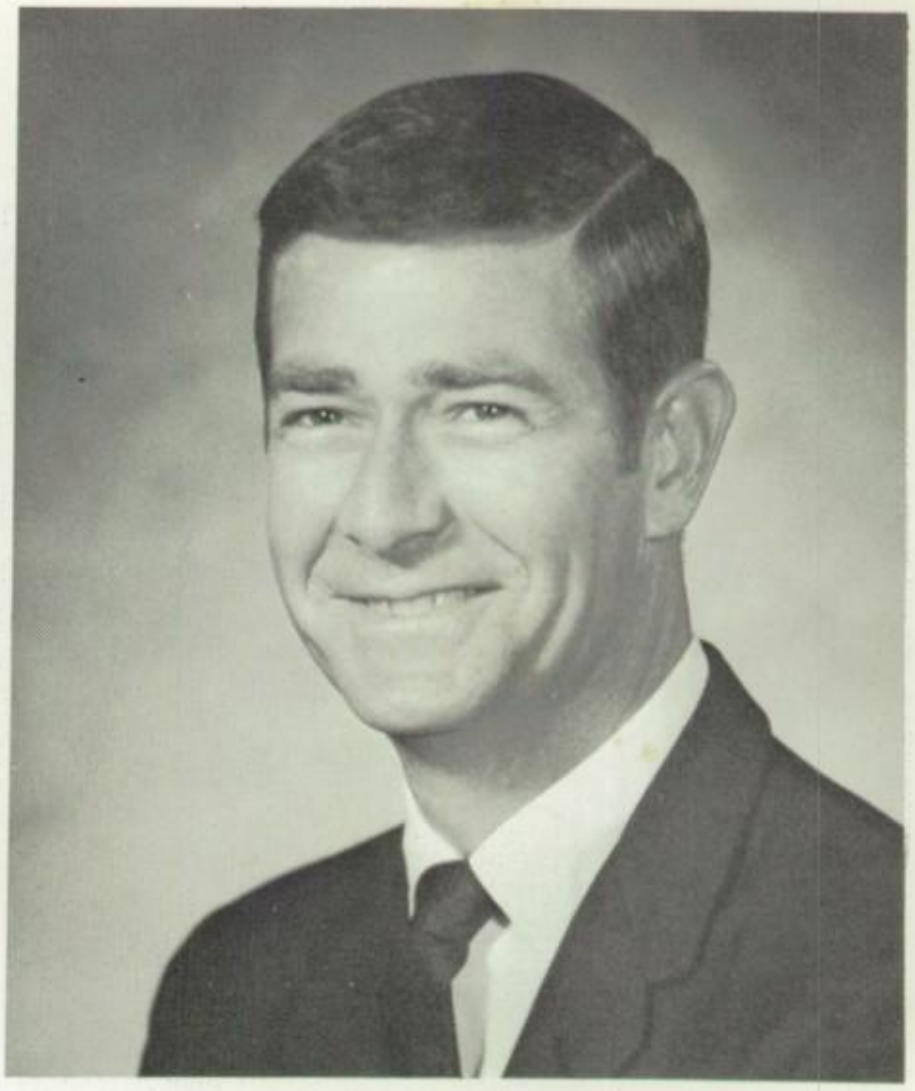
Now, as editor of this yearbook, I would like to present to you this 1970 "MUSTANG".

EDITOR

Regina Farrar

MRS. EARLINE COOLEY

Dear Deborah -
You're a real sweet girl and being good at secretarial work is a joy to me. I appreciate you & the way you be so silent to me. I do wish the very best for you. I love you! Mrs Cooley



MR. ANDREW GIBSON

Deb: With your mind and ability to think, surely the world is at your feet. I think as highly of yourself as I think of you. always consider other. I love you and am richer for our fellowship. may God bless: Andy Gibson

Dedication

We, the staff of the 1970 "Mustang" are delighted to dedicate this yearbook to our outstanding coach and history teacher, Mr. Andrew Gibson, and our friend and faithful school secretary, Mrs. Earline Cooley.

Because Mrs. Cooley is always standing by with a word of encouragement, or a helping hand when our zeal is gone. . .

Because Coach Gibson is dedicated to the school and his work, and because of his desire to instill "school spirit" into every student. . .

We would, in a small way, like to show our deep appreciation and our extreme gratefulness.

Mrs. Cooley and Coach Gibson, Thank You.

PRINCIPAL'S MESSAGE

Mantachie School has made great progress during the past two years. However, much remains to be done to bring it up to the state of excellence we hope for. Every classroom, the library and the lunch room are air-conditioned. Additional dressing rooms and storage space have been added to the gym. Other improvements have also been made, including seats and painting the inside. Public rest rooms have been provided on the football field and other renovations are being planned. The auditorium has been completely refinished, including seats, paneling and floors. All these improvements, even carpeting on the library floor, have made our school plant one of the best. But much more is being planned.

A sincere thanks goes to all patrons, teachers, and students for a wonderful spirit of cooperation in making all these improvements possible. Never have I experienced so complete cooperation and willingness among so many people to help bring about so many changes. Without your help, nothing could have been accomplished.

May I especially commend the entire student body for their attitdue. You have developed pride in your institution and have come to realize that an education is necessary to prepare you for living. And, you have also learned that education does not come easy. It requires work.

Let us look forward to even better years ahead, and all press forward with one goal in mind: To Make Mantachie School the Best in the World.

Appreciation is defined as the act of estimating the qualities of things and giving them their due value. We, the Seniors of the class of 1970 can not and would not attempt to list the persons individually who have helped us in our twelve years of school. However we would like to say to all our teachers and fellow students, we shall always value your friendship and fellowship as we finish one phase of life and begin another.

Our reflection on these years bring only one thought, "Memories have been made that shall never fade." May God bless one and all.

Deborah,
These past years have been hectic ones. The past has been good and bad. Forget the bad and remember the good things I did for you and everyone else. At the present, our friendship is calm and nice and for the future, I hope it will be the same as now and maybe even better. I forgave & forgot about those things in the past, so I want you to do the same. I'll remember you and I hope you'll remember me as a friend of yours. Good luck in the future and may you succeed in whatever you do.
